Re: Invitation for an Academic Visitor by Shengli Bu

Dear Prof. **Bu**,

We are pleased to invite you to visit our university as an academic visitor for 4 weeks, any time start from 28th July 2024, supported by your own research fund. During your stay in Northumbria University, we will exchange our research outcomes and discuss further extend our research collaboration, in terms of staff/student exchange and joint fund application.

It is noted that under the immigration rules, as an academic visitor, you are not permitted to engage in work in the UK other than the academic activity as listed above.

I believe your visiting will broaden your research experience. We would be happy to host your visit, and provide access to the necessary high performance computer, experimental facilities and lab space for the successful completion of your research.

We understand that all your return flights and health insurance and living expenses in the UK will be covered by your own research grant in China. Assistance in locating suitable accommodation etc. will be provided.

From our mutual communications, I can confirm that your English is very good, which meets our English language requirements for your research and communication.

If you have any questions, please do not hesitate to contact me by phone or email.

I am looking forward to seeing you in Newcastle upon Tyne in UK!

Yours sincerely

Dr. Qiang Wu

Associate Professor
Department of Mathematics, Physics and Electrical Engineering
Faculty of Engineering and Environment
Room D106, Ellison Building, Northumbria University,
Newcastle upon Tyne, NE1 8ST, UK
