6 January 2025

Prof. Xinyuan Zhu
President
University of Shanghai for Science and Technology (USST),
516 Jun Gong Road,
Yangpu District,
SHANGHAI 200093
People's Republic of China

Dear Prof. Xinyuan Zhu,

Invitation to Visit NSTDA for Joint Lab Collaboration

We are delighted to invite you and your esteemed team to visit the National Science and Technology Development Agency (NSTDA) from February 3 to 6, 2025, to discuss potential collaboration on our upcoming joint lab project. Your expertise and leadership in the field of Intelligent Rehabilitation Engineering will undoubtedly contribute to the success of this initiative.

The purpose of this visit is to engage in collaborative research, exchange knowledge, and explore opportunities to advance innovation in our shared field of interest. We are confident this collaboration will not only enhance our research capabilities but also strengthen the partnership between our institutions.

We deeply value the contributions of your team members—Prof. Hongliu Yu, Prof. Baolin Liu, Ms. Lin Xu, Prof. Qiaoling Meng, and Assoc. Prof. Sujiao Li—who are widely recognized for their excellence in their respective areas. Their participation will be instrumental to the progress of this endeavor.

To facilitate arrangements, please confirm your acceptance of this invitation at your earliest convenience. Should you have specific agenda items or requirements for the visit, feel free to reach out to Mr. Jessada Jongsukvarakul at jessada.jon@nstda.or.th or +66 2564 6900 ext. 2345.

We look forward to welcoming you to NSTDA and to a productive and inspiring collaboration.

Yours Sincerely,

Kalaya Udomvitid, Ph.D.
Executive Vice President
Acting President
National Science and Technology Development Agency
