Dear Prof. Qiwen Zhan,

LETTER OF INVITATION (this "Letter")

1. On behalf of the School of Electrical and Electronic Engineering (EEE) of the Nanyang Technological University, I am pleased to invite you to visit the School as a Visiting Academic from 19-FEB-2024 to 25-FEB-2024.
2. During the visit period, you will interact with Nanyang Assistant Professor Guangwei Hu and other members of the research group in the School to explore collaborative research in nanophotonics and optical physics, under the NRF Competitive Research Programme.
3. Please note that visitors to School of EEE are not included in any of the NTU insurance's coverage. Kindly ensure that you have appropriate coverage for this visit.
4. The following NTU polices should be complied during the visit.
 - a. The University has in force a policy on Intellectual Property, Technology Transfer and Research Collaboration (the "IP Policy"). You shall, at all times, comply with the provisions set out in the IP Policy or any other policy in force from time to time which the University may, in its sole and absolute discretion, require. The current IP Policy can be viewed at the website of the Nanyang Technological University-NTUitive Pte Ltd (NTUitive) – www.ntuitive.sg/.
 - b. You shall not, at any time before or after the completion of your visit, for whatever cause, use, reproduce, disclose, retain in your possession or control or communicate directly or indirectly to any person other than a person to whom you are authorised by the University to communicate and for a purpose authorised by the University, any document (in written or other form) or information in any form of a nature which is confidential, sensitive or proprietary to the University and its subsidiaries or information received from third parties
