— **Invitation for a Research Visit**

Dear Dr Mao,

I would like to invite you for a stay as visiting scientist in my group for Theoretical Physical Chemistry at Technische Universität Darmstadt, from 24 May 2024 until 31 May 2024. As a visiting scientist, you are neither required to pay any tuition fees, nor will you receive any financial support from Technische Universität Darmstadt.

- Thank you for accepting to attend my Symposium “Molecular Simulation – Into the Future!” on Saturday, 25 May 2024 at the Academy of Sciences and Literature in Mainz, Germany. The Symposium will start from 09:00 until 18:00 and a subsequent Dinner starting at 19:00. Please find the tentative program attached.

As agreed, you will stay on with my research group at Technische Universität Darmstadt for individual talks, as well as to give a talk on Thursday, 29 May 2024 for our Physical Chemistry groups. During your time in Darmstadt, we will provide you with the means necessary for your research, such as office space, workstation and access to local and national computer centres.

I look forward to seeing you again soon!

- Yours sincerely,

Prof. Dr. Florian Müller-Plathe
