

Invitation Letter

Dear Prof. Cai Yonglian,

On behalf of Universidad de Piura, I am pleased to extend an invitation to you and your delegation to visit us, allowing us to strengthen the relations between Universidad de Piura and the University of Shanghai for Science and Technology (hereinafter referred to as USST). It would be my great pleasure to welcome you to our university. Your visit to Peru is scheduled from September 22th to 27th.

The delegation from our university, led by Vice President Susana Vegas, visited USST in May 2024, where we received a warm welcome and reception during our stay.

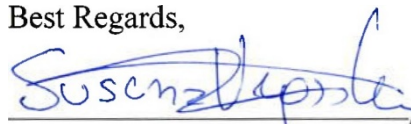

The follow-up visit by the USST delegation is greatly appreciated, and we are excited to extend our hospitality while sharing insights into various academic research initiatives within our faculty. The chance to exchange ideas, collaborate on potential projects, and cultivate meaningful academic relationships is indeed valuable for both universities.
