Professor Dr. Zhan, Qiwen
The University of Shanghai for Science and Technology
Shanghai, China

INVITATION LETTER

Dear Professor Zhan Qiwen,

I would like to invite you to come to Hiroshima in March to attend the kickoff meeting of International Institute for Sustainability with Knotted Chiral Meta Matter (SCKCM²), WPI Hiroshima University. The kickoff meeting will be held in March 20-22 at International Conference Center Hiroshima. The WPI program is supported by Japan Society for the Promotion of Science (JSPS). Air tickets and accommodation will be covered by the program.

I am looking forward to seeing you soon in Hiroshima.

Sincerely,

A handwritten signature in black ink, appearing to read 'Manabu Abe', written in a cursive style.

Prof. Manabu Abe
Professor & Executive Vice President
Department of Chemistry, Graduate School of
Advanced Science and Engineering
Hiroshima University (HU)
Admin Director of SKCM²
