French Embassy in China

Marcq en Baroeul, 27/06/2024

Subject : Invitation letter for VISA

To whom it may concern,

We, Lesaffre International – France, are pleased to invite Professor AI Lianzhong who is works at University of Shanghai for Science and Technology to visit our plant, headquarters office and laboratories of Lesaffre in Paris and Lille from the 6th to 9th of September 2024. This visit will be an opportunity for him to exchange with our headquarters colleagues.

Name	Sex	Date of birth	Position	Company
AI Lianzhong	Male	12 March 1976	Dean/Professor	University of Shanghai for Science and Technology

Please note that all the travel expenses that may arise during his visit will be paid by his university. His university assures that he will go back to China as scheduled.

It will be highly appreciated for him to get a multiple business visa with longer validity period.

If you have any questions or need additional information, please contact our office.

Yours faithfully,

LESAFFRE INTERNATIONAL
