The 22nd International Union of Food Science and Technology (IUFoST) World Congress of Food Science and Technology (World Food Congress) is a major food science and technology congress to be held in Italy. Numerous United Nations representatives are expected to attend. The Congress will be held from September 8th to 12th in Rimini, Italy, and some technical visits will be scheduled from September 13th to 14th in Rome, Italy.

The 22nd IUFoST World Food Congress is jointly organised by the International Union of Food Science and Technology (IUFoST) and the Italian Association of Food Technologists (AITA). It will be scientific programme featuring plenary, parallel and poster sessions. Pre-congress business meetings, a young scientist workshops form part of the programme, and culminating in the IUFoST General Assembly of country members and key officials.

IUFoST and AITA are pleased to invite you to participate in the World Congress as esteemed delegate and leverage the opportunity to interact with the Global Food Science & Technology Fraternity. During your visit to Italy, we will be pleased to assist you to connect with some premier institutions and food & food processing companies to add value to your visit.

During your stay in Italy you will be responsible for your personal expenses for the duration of your stay.

We look forward to welcoming you in Italy.

Yours sincerely,

Sebastiano Porretta, Chairman IUFoST 2024 World Congress on Food Science and Technology
