主题: USST Delegation's Name List for Visiting Universiti Malaysia Sabah

Dear Datu,

Thank you very much for your ongoing assistance. Our vice-president's group will visit your university to sign the short-term agreement from June 8 to June 15. They may have a meeting with your team on June 9, and once the detailed schedule is finalized, we will inform you immediately.

We kindly request your assistance in providing the invitation letter for the delegation for the necessary government processes. As this process will take nearly two months, we may need the letters by next week. The date in your invitation letter can be set during June 7 to June 16. The date showed in the letter should encompass the entire schedule.

You can find the delegation's information in the attachment.

Thank you again for your assistance.

Best,

XIE Wei

Secretary of International Affairs of Business School at University of Shanghai for Science and Technology
