University of Shanghai for  
Science and Technology

Mr. Vice President Zhao Ning

### Invitation letter

Dear Mr. Vice President Zhao Ning!

On behalf of Moscow State University of Technology «STANKIN» (hereinafter-MSUT «STANKIN»), we are pleased to invite four representatives of the **University of Shanghai for Science and Technology (hereinafter – USST)**, to visit our University in Moscow in **November 8-13, 2026.**

This visit is designed to deepen our institutional partnership across several strategic areas: talent development, faculty capacity building, and academic exchange. A key milestone of the visit will be the formal signing of a Framework Agreement on cooperation in education and science — establishing a solid foundation for our continued collaboration.

We firmly believe this visit will open new opportunities for academic and scientific exchange, generating lasting value for both institutions through stronger partnerships, curriculum innovation, and expanded international engagement.

Looking forward to welcoming you and your delegation to Moscow.

Annex: List of invited USST representatives.

Yours faithfully,

Vice Rector for educational affairs

Semen Shekhtman
