Role in CLEO-PR 2024: Invited Speaker of C15 Optical Sensors, Display, and Imaging Systems

Dear Prof. Chenliang Chang,

On behalf of the Organizing Committee of CLEO-PR 2024, we would like to invite you to attend and participate in the 16th Pacific Rim Conference on Lasers and Electro-Optics (CLEO-PR 2024), which is hosted by Optical Society of Korea at Songdo ConvensiA, Incheon, Korea from August 4 to 9, 2024 as an offline conference.

In the past, the conference has served as a premier forum for the discussion of significant progress of research and development of lasers and photonics technologies in the Asia Pacific region. All major fields related to lasers and electro-optics will be covered. In addition to tutorials, invited sessions, and workshops, a special exhibition will also be held simultaneously to present the latest technologies and developments.

As you are a participant of CLEO-PR 2024 with the above information, we certify that you visit Korea for presenting and participating at our conference. We sincerely appreciate your participation and contribution in advance, and look forward to seeing you at CLEO-PR 2024 in Incheon, Korea.

Sincerely Yours
