ABOUT EDGE HILL

Edge Hill's home is Ormskirk, a beautiful and friendly 12th century market town. Ormskirk has national train and bus connections, lively nightlife and high street shops, banks and supermarkets. The town is a ten-minute walk or two minute shuttle bus journey from the campus. It is also 25 minutes from the city centre of Liverpool and 40 minutes from Manchester - well located for students to take full advantage of all that the UK has to offer, and with two international airports on our doorstep you can easily get to many European destinations in a couple of hours.

24 hour security
