Application Process

Nomination:

- A nomination link for "Mobility Online" will be sent to all partner universities at the start of the application period (check our timeline).
- Please nominate students according to the partnership agreements and only one semester in advance.

Student Application:

- Students have to upload following documents in Mobility Online before the deadline:
 - transcript of records
 - selection of courses
 - language certificate
 - health insurance confirmation
 - portfolio for design students
- For more information about the course selection, housing, visa, ect. please check our website.

Living in Hamburg

Budget:

- at least 992€ per month;
- 329€ obligatory semester contribution, including a semester ticket for public and regional transport all around Germany.

Housing:

- we can provide a limited number of students with accommodation;
- the housing application is part of the general application;
- the monthly rent is 350 - 450€

Visa and Residence Permit:

- Students have to follow these instructions of the [German Foreign Office](#).
