CHECKLIST

Office of International and Graduate Admissions

Undergraduate Admissions

- Application¹ *(To be completed online)*
- \$50 Application Fee
- Personal Statement
- Affidavit of Financial Support²
- Copy of Passport
- Recommendation Letter(s)
- Official TOEFL/IELTS Score³
- All Official High School and/or College Transcripts
- Foreign Credential Evaluation⁴
- SAT/ACT Score

(Optional: Only required for scholarship consideration)

Graduate Admissions

- Application¹ *(To be completed online)*
- \$50 Application Fee
- Statement of Objective
- Affidavit of Financial Support²
- Copy of Passport
- Resume
- Three Recommendation Letters
- All Official College Transcripts
- Official GRE/GMAT results⁵
- Official TOEFL/IELTS Score
- Foreign Credential Evaluation⁴

Embry-Riddle Language Institute

- Application¹ *(To be completed online)*
- \$50 Application Fee
- Affidavit of Financial Support²
- Copy of Passport

1. Applications are available online at: daytonabeach.erau.edu/admissions/apply/index.html

2. Affidavit of Financial Support: daytonabeach.erau.edu/admissions/international/

3. TOEFL/IELTS/Cambridge is only required if English is not the first language or the language of instruction within the last two years. TOEFL: 79 IBT, IELTS: 6.0, Cambridge: 170

4. Foreign Credential Evaluation: www.wes.org. For high school transcripts, please use the ICAP document-by-document evaluation. For university level transcripts, please use the ICAP course-by-course evaluation. All students who attended school outside of the United States must provide an evaluation, except International Baccalaureate schools, IGCSE schools, and international schools that follow the US grading system.

5. GRE is required for the following programs: Ph.D. in Aerospace Engineering, Ph.D. in Human Factors, Ph.D. in Mechanical Engineering, Ph.D. in Engineering Physics, Ph.D. in Electrical Engineering and Computer Science, Ph.D. in Aviation, Master of Science in Aerospace Engineering, Master of Aerospace Engineering, Master of Science in Mechanical Engineering, Master of Science in Human Factors, Master of Science in Aviation Finance, Master of Science Unmanned & Autonomous Systems Engineering, Master of Science in Aeronautics. GMAT is required for the following programs: Master of Business Administration, Master of Business Administration in Aviation Management. GRE: 50% Benchmark is equivalent to 151 on Verbal, 153 on Quantitative. GMAT: Score of 550 or greater preferred.

Now you're ready.
Apply today.

Degree & Programs

Undergraduate Degrees

- Aeronautical Science
- Aeronautics
- Aerospace Engineering
- Aerospace & Occupational Safety
- Air Traffic Management
- Applied Meteorology
- Astronomy
- Astronomy & Astrophysics
- Aviation Business Administration
- Aviation Maintenance Science
- Business Administration
- Civil Engineering
- Commercial Space Operations
- Communication
- Computational Mathematics
- Computer Engineering
- Computer Science
- Cyber Intelligence & Security
- Electrical Engineering
- Engineering Physics
- Forensic Accounting & Fraud Examination
- Forensic Biology
- Forensic Psychology
- Global Business
- Global Conflict Studies
- Global Security & Intelligence Studies
- Homeland Security
- Human Factors Psychology
- Industrial Psychology & Safety
- Interdisciplinary Studies
- Mechanical Engineering
- Meteorology
- Operational Meteorology
- Software Engineering
- Space Physics
- Unmanned Aircraft Systems* (*US citizens only*)
- Wildlife Science

Graduate Degrees

- Aeronautics
- Aerospace Engineering
- Aviation Finance
- Business Administration
- Business Administration in Aviation
- Business Administration in Aviation Management
- Civil Engineering
- Cyber Security Engineering
- Cybersecurity Management & Policy
- Electrical & Computer Engineering
- Engineering Physics
- Human Factors
- Human Security & Resilience
- Mechanical Engineering
- Safety Science
- Security & Intelligence Studies
- Software Engineering
- Systems Engineering
- Unmanned & Autonomous

Ph.D. Degrees

- Aerospace Engineering
- Aviation
- Aviation Business Administration
- Electrical Engineering & Computer Science
- Engineering Physics
- Human Factors
- Mechanical Engineering

Requirements as of 11/01/2015
